Christmas break at the Four Corners Pond. A favorite place for young and old to skate, the pond has seen a lot of use the last few years. An afternoon hockey game is a great way to spend a cold winter day. The pond is shoveled after every snow storm and is the site of evening skating parties and bonfires.

# AUDITOR'S REPORT

Richmond, NH 03470
February 1993

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

I herewith submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1992. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent Town records.

## SCOPE OF AUDIT

The accounts and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

## FINANCIAL STATEMENTS

1. The Statement of Appropriations and Expenditures shows a net unexpended balance of appropriations amounting to $31,087.09. In 1991 there was $20,924.22 in unexpended balances.
2. The Statement of Estimated and Actual Revenues shows a net revenue surplus of $65,513.99. In 1991 the net revenue surplus amounted to $80,857.22.
3. The Budget Summary indicated a net budget surplus of $42,262.12.
4. The Accounts of the Town Treasurer, Town Clerk, Tax Collector and the Fire Department Equipment Fund have been summarized and tabulated.

## AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursements and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All town books and accounts were examined carefully and, where necessary, tests of certain records were made as part of the audit.

## CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ending December 1992. In my opinion, the attached statements represent the financial position of the Town of Richmond for this period.

## THANKS

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records.

Respectfully submitted
Linda S. Herron
Auditor
Town of Richmond, NH

# SELECTMEN'S REPORT

1992 has passed and for all the changes many things have remained the same. The play area by the fire house is moving closer to completion and the basketball court is under construction. The beavers still hold control over the pond.

The plans for the emergency services addition at the fire house have been completed and an article will be on the 1993 warrant for the building. Many thanks to the firemen who worked many hours drawing up the plans and collecting bids.

In an effort to keep improving the computer system we have purchased a new printer for Marianne and new high density drives for all the computers. This will aid in greater efficiency for our data backups. New telephones have been purchased for the town clerk and the tax collector. There has also been a new phone line into the hall for the tax collector and town clerk. This will help us serve folks better. The new number is (603) 239-6202.

Current use applications have declined this year and we now have 15128 acres in current use up from 14,675 in 1991. There were many changes in the current use laws and in the rate structure. Folks with land in current use should check with the selectmen's office if they have any questions.

The accounting format changes are now complete and should now be easier for you to follow. It makes the report easier to understand and help to track revenues and expenses.

Again we would like to thank all our department heads and employees for all the time they spent making our town the best in New Hampshire. In particular, we are especially grateful to Dot Robbins for her many years of fine service. We are very pleased that she will be continuing as our Deputy Town Clerk.

## PLANNING BOARD REPORT

The Planning Board had a relatively quiet subdivision year in 1992. The Board was occupied with bringing the Town in line with several new RSA's. Most notable of these were the new laws pertaining to gravel pits. All previously operating pits in Richmond are continuing operation under the new guidelines. Several subdivision issues from previous years continue to occupy the Board's time and incurred legal expenses.

The Board is continuing to digest the voluminous information that it gained from the Master Plan survey that it circulated in town. Preliminary findings suggest an overwhelming desire to maintain the rural character of the Town. Complete findings will be available in late Spring.

The Board wishes to recognize and thank Larry Koch for the hard work and dedication he brought to the Board during his elected terms.

Respectfully submitted,
Robert S. Coy, Chairperson

## POLICE DEPARTMENT REPORT

Police activity for 1992 have continued to rise as it has for the past few years. Comparison to previous years can be noted from the summary of activities list.

Our part time police department continues to struggle with the burden of keeping updated with changing laws and increasing training and certification required to maintain the status of a part time police officer. These requirements are necessary and important.

A part time officer has the same powers and duties as a full time officer. The only difference is, most part time police officers do not work in law enforcement as their full time profession. In addition to working a full time occupation, the part time officer must be educated, trained, certified and perform duties in his spare time.

When this is accomplished, he is then allowed to be called out in the early morning cold or from his Sunday dinner table to respond to a complaint. He puts on his hat and badge and rushes to the scene trying to remember what he had learned at the weekend training sessions many months or years ago. When he arrives, he must react as though this is second nature to him and of course he knows it is not. He may have to do some quick negotiating or maybe even put his body in harms way to protect a spouse or child from inevitable injury. He may have to make an arrest of someone who does not want to cooperate. He may have to use a certain amount of force but not to much. If this is the scenario, while in the heat of things, if he remembered to bring his portable radio, he should be thinking of requesting backup. If another part time officer happens to be in town, he should get there in 15 or 20 minutes. If not, a neighboring town officer, or a state trooper will be your back up, but that could take a lot longer. If all goes well, your off to the station for booking and maybe a trip to the

county jail. Now the work begins. You start the reports, lots of reports. Then its time to go to court. Guess who gets to prosecute your case. You got it, Its you the part time officer, and you thought this was going to be a fun part time job.

Of course not all the duties of a part time officer are as demanding as the above scenario. There are many gratifying and rewarding adventures. Lets not forget, if we did not like our job we would not be in it. It does take a special type of person to be a police officer. I think it takes a very special person to be a part time police officer. To all of our Richmond part time police officers, a very special thank you for your dedication.

# FIRE DEPARTMENT REPORT

Residents of Richmond you have earned a GOLD STAR for Fire Safety during 1992! Your volunteer fire fighters provided Mutual Aid for fires in our neighboring towns more times than we battled building fires in Richmond. It is very rewarding to report that we only responded to one chimney fire this year and **no** serious structure fires.

The fire department has significantly boosted its fire fighting capability during this past year. The addition of two new fire ponds fitted with hydrants, one on Old Homestead Hwy. in north Richmond and one on Whipple Hill near the Barrus Road, greatly improves our ability to combat fires in those sections of town. The hydrant in the second fire pond on Fitzwilliam Road was replaced and numerous other hydrant installations renovated. Our trucks carry enough water to quench a lot of fires, but when you require more — you need it in a hurry!

We would like to remind everyone that street addresses are very important to us and we need to be able to READ them under the worst possible conditions! Please label your mailbox, or driveway, if they are not together, so that we can find you quickly! Remember, we are coming from the four corners and probably it will be dark, raining and foggy! Please note that the very handy phone directory produced by the Rooster lists our business number, not the Emergency Number. For **EMERGENCY**call **352-1100!** Richmond Emergency Services are dispatched from the Southwestern NH Mutual Aid Center in Keene, there is no one on duty at our station, We have stickers for your phone if you would like some.

1992 Statistics:

Structure Fires - 0, Chimney Fires - 1, Mutual Aid - 4
Mutual Aid Cover - 2, Rescue Calls - 31, Grass/Brush - 3
Motor Vehicle Accidents - 7, Miscellaneous Calls - 3

Your Fire Department **Volunteers** gave more than 580 hours of their time working at Emergency scenes and thousands of hours doing routine Fire Department maintenance, training and administration. Our sincere thanks go out to our Fire Department personnel and all their families who give so much year after year. Thanks!

Respectfully submitted,
Leland Robbins, Chief
H. B. Shaw III, Deputy

# TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER REPORT

1992 was below average for wildfires reported in our state. Our largest fire was in May in Rumney where a suspicious fire burned approximately 150 acres with a total cost of approxiametly $30,000. The N.H. Division of Forests and Lands assisted many other communities in wildland fire suppression as well.

Our fire lookout towers reported 289 fires, burning a total of 136 acres. Our major causes of fires were fires kindled without a permit, unknown causes and children.

Please help your town and state forest fire officials with fire prevention. New Hampshire State Law (RSA 224:27) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, **without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done.**" Violation of this statute is a misdemeanor, punishable by a fine of up to $1,000 and/or a year in jail and you are liable for all fire suppression costs.

Local fire departments are responsible for suppressing fires. The small average fire size of .47 acre/fire is a tribute to early detection by the public or our fire tower system and the quick response of our trained local fire departments. Please help your Warden and fire department by requesting and obtaining a fire permit **before** kindling an open fire.

The N.H. Division of Forests and Lands assisted 28 towns with a total of $20,000 in 50/50 cost share grants for fire fighter safety items and wildland suppression equipment in 1992.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or Division of Forests and Lands at 271-2217.

Respectfully submitted,
Joseph Thibodeau,
Forest Fire Warden
Robert Stewert,
Forest Ranger

## RESCUE SQUAD REPORT

In 1992, the Richmond Rescue Squad has grown in membership, increased equipment, and gained experience. It had been a very good year.

Presently our squad has 15 members, an increase of 4 members since last year. Among the numerous supplies needed for 25 R-1 (the rescue truck) we shared the cost of a rescue boat and two dry suits with the fire department.

All members are required by the State of New Hampshire to have the Hepatitis B shots to insure our own safety. It is a series of three shots with follow-up testing. We are in the progress of completing the shots for all members.

Monthly training sessions are held. Many with Winchester Ambulance Service. We conducted drills, attended seminars at Cheshire Hospital and studied to keep up to date on the emergency medical services that might be needed in our community.

A CPR course is being offered this spring for anyone interested. It may be a start to a new rescue squad member. Please contact me for the dates and location of the course.

As the Rescue Squad begins its fourteenth year of service to the town of Richmond, we thank all for the tremendous support given to us. Our service would not be possible without such backing.

Remember if you need the Rescue Squad call 352-1100 Mutual Aid will tone the squad. We are always on call.

Patty Webber, Captain

## EMERGENCY MANAGEMENT

Richmond Emergency Management continues to play a key role in the responder preparedness to deal with both radiological incident at Vermont Yankee and other disasters needing expanded emergency response efforts.

Training reponders in those coordinated efforts was our primary

activity in 1992. Emergency management continues to participate in the Federal reimbursement program and was able to purchase needed equipment at substantial savings to the Town. Emergency Management looks forward to the anticipated "new" addition to the Fire Station and a return to and completion of the primary design functions of the Civil Defense Building.

Robert S. Coy,
Director of Emergency Management

## CONSERVATION COMMISSION REPORT

It is with deep sorrow that we record the death of our colleague and friend, Stan Bartram. Both the Commission and the Town are lessened by his absence. Stan was always willing to volunteer his talent and time, and his unfailing good humor and cheery nature never failed to lighten the Commission's tasks. He is sorely missed, indeed.

Another somber note was Ellie Merwin's death. On the positive side, Gus Merwin, who was on leave of absence during his wife's illness, has now resumed active participation in the Commission's work. He has taken on the responsibility of Treasurer, taking over from Stan's many years of service in that post.

During the past year the Commission worked on implementing the wishes of the Late Harry J. and Jenny B. Bennett: that their beloved gorge on Brickyard Brook would become a permanently protected natural area for the enjoyment of present and future residents of Richmond. The legally-binding easements are now a matter of record; an appropriate sign has been constructed and is due to be placed as soon as the ground thaws. The Commission plans additional work in the coming year to help insure that the easement will conform to the Bennett's wishes.

The Commission supervised a partial harvest of red pine plantation in the Harry J. Bennett Town Forest. Proceeds of the harvest will be applied to good management practices within the forest and to other aspects of the Commission's work.

Your Commission conferred with the Fitzwilliam Conservation Commission (at their request), providing the benefits of our experience in furthering their wish to establish a town forest in Fitzwilliam.

The Commission has entered into a continuing discussion with Tree Growers, Inc., concerning town-controlled flowage rights in the Town Forest portion of the Sprague Meadows. Amongst the anticipated benefits are included an enhanced waterfowl production area, and a more permanent form of protection for the Harris Soapstone Quarry.

This summer the Commission cooperated with Road Agent Davis in developing a plan to protect the Perry Brook from any further degradation caused by road work on Taylor Hill Road.

As Administrators of the proceeds of the Harry J. Bennett Memorial Fund, the Commission annually seeks to sponsor one or more young persons from Richmond for participation in the Youth Conservation Camp. Operated by the Society for the Protection of New Hampshire Forests, this camp offers an unparalled opportunity for "hands-on" learning about the natural world, with plenty of time left over for recreation. To be eligible, applicants (either male or female) must have completed the eighth grade and be between 13 and 18 years of age. The Commission will pay all fees for those applicants it may sponsor. This is a wonderful opportunity for an all-expense-paid week-long learning-vacation — and it will look great on any college application resume. Eligible-and-interested persons should contact any member of the Commission before the first of May.

Respectfully submitted,
Norman E. Tandy, Secretary

## LIBRARIAN'S REPORT

1992 was a busy year at the Richmond Public Library. This year we saw increases in our holdings of books, video-cassettes and periodicals. A successful series of "Cabin-Fever Coffee Hours" (sponsored by the Friends of the Library) enticed folks from their winter firesides for evenings of information and entertainment. A second series is planned for 1993 so be sure to check your Richmond Community Calendar for the dates.

Summer days brought more people to the library as 59 children signed up for the Children's Summer Reading Program. At the program's end the children received certificates of completion and gift certificates good for a book purchase at the Toadstool Bookstore. Prizes were awarded at a party held in the Richmond Pavilion.

Thanks to the Friends of the Library and to all Richmond townspeople for your support of our library.

## LIBRARY TRUSTEES' REPORT

In last year's report we brought you up to date on what we had accomplished in 1991-92. Ongoing activities include:

—supporting activities recommended and organized by our librarian, such as story hours and summer reading programs;

—upgrading juvenile and adult reference and reading materials; and

—keeping ahead of maintenance.

This past year we attended to administrative matters in hope of initiating progressive changes in the library. Other plans include:

—completing an inventory of all materials in the library in order to bring the shelf list and catalog up to date;

—putting together a Personnel Policy & Procedures Manual and a Technical Operations Manual which will assist library personnel in everyday operations of library functions.

We are pleased with the response and use of the book-drop, and this year we will address the serious problem of collapsing shelves in the children's room. Correcting this problem will result in some temporary inconvenience; please bear with us. We want to thank Mary Beers for giving her time and talent to make our new sign. We want to extend our gratitude to Rose Kochman for her years of service dedicated to the library. Finally, we want to welcome Dianne Jacobson, who accepted the position of Librarian as of the first of this year. We are fortunate to have the experience and expertise Dianne brings with her, and we look forward to working with her.

We thank all of you who have so generously given your time and support in so many different ways, especially the Friends who have worked hard to fund some of the library's special needs. We can all continue to feel proud of our Richmond Public Library.

Sandy Holbrook

## RECREATION COMMITTEE REPORT

Our annual "Easter Egg Hunt" was well received by about 50 children who hunted for 250 eggs filled with candy and quarters. The Park Committee raffled an easter basket and Lauren Haskins appeared as the Easter Bunny. Everyone had a great time and we look forward to seeing you at the next egg hunt.

Thirty-five children participated in Camp Takodah's Swim Program. As always, the instructors were excellent. A special thanks to Bruce Holloway for coordinating this program.

This year's camp was planned by Rosann Amato. We hired two Keene State College students, Carol Exline and Lori Allen, as counselors. We also had several volunteers help out — Cindy Heller, Simone McKenna, Maureen Blackledge, and Pam Goodell. A small, but great group of kids attended for a week of fun, games, activities, and sunshine. The field trip was to Pisgah Park. After a morining nature walk with Park Ranger Mike Walsh, who was very knowledgable and interesting, we had a picnic lunch at Fullum Pond. Then a representative from the New Hampshire Fish and Game met us at the pond to teach the kids about fishing. She came with fishing poles for everyone. It was a great trip. Day Camp ended with Family Night and the kids performing songs and a skit that they had practiced all week.

Richmond Day began with a record turnout for the "To the Border and Back" race, sponsored by the Richmond Four Corner Store. The parade was fun for all — we had fire engines, floats, horses, clowns, and kids who rode bicycles, rollerblades, and wagons. During the Firemen's Barbecue we had lots of games, and face painting. A special thanks to Joan Wagstaff for her artistic face painting. We look forward to an even bigger and better day next year.

The Family Halloween Party was again held at the Pavilion. Everyone had a great time seeing the costumes, socializing, and walking through the

spook house. Special thanks to Allison VanBrocklin and the Girl Scouts for providing the spook house. Walden Whitham performed wonderful, ghostly stories around the bonfire. The party is fun for all ages and having it outside provides plenty of room for everyone!

If you would like to join the Recreation Committee, or participate in any way, please contact a committee member.

We'll be sending out a schedule of events and registration forms in an upcoming Richmond Rooster.

## HOME HEALTH CARE & COMMUNITY SERVICES

In 1992, Home Health Care and Community Services continued to provide home care and community services to the residents of Richmond. The following information represents a projection of Home Health Care and Community Services' activities in your community in 1992. The projection is based on actual services provided from January through September 1992 and an estimate of usage during October, November and December.

### SERVICE REPORT

| Services Offered | Services Provided | Services Supported Partially or Totally By The Town |
|---|---|---|
| Nursing | 60 Visits | 0 Visits |
| Physical Therapy | 12 Visits | 0 Visits |
| Home Health Aide | 135 Visits | 0 Visits |
| Office Visits | 4 Visits | 0 Visits |
| Continuous Care | 523 Hours | 0 Hours |

Total unduplicated residents served: 11

In addition to the above listed activities, regularly scheduled blood pressure clinics, child health clinics, telephone and consultations were made available to your residents throughout the year. Town funding, in part, supported these additional services.

### FINANCIAL REPORT

The actual cost of all services provided in 1992 with all funding sources is projected to be $10,294.00

The total cost of services provided for a partial fee, or at no charge to residents in 1992 is projected to be $877.00.

For 1993, we recommend an appropriation of $3,000.00 to continue home care services at the current level.

Thank you for your consideration.

## BEACH COMMITTEE REPORT

Another marvelous beach season was enjoyed by all during 1992. No matter what time of day, someone was at the Richmond Town Beach. People shared time at Cass Pond from dawn's early light until the moon rises and the mosquitos start to bite.

The beach continues to be so many things to so many people. It can be quiet, it can be lively, but the beach is always refreshing and renewing.

This year, as with other years, several loads of sand were added to continue the restoration of the areas that are eroded each winter. Because of this, this replacement of the picnic tables will be a concern for the upcoming season.

A reminder, we want the beach to be a clean beach, use the rubbish barrell for beach rubbish. It is a service that you pay to have available. And leave the dog some cool water before you head for the beach.

If you have any thoughts on the beach or if any problem arises please call us. Remember this is the Richmond Town Beach and you are Richmond. THINK BEACH!!!

Respectfully submitted,
Patty Webber

# CEMETERY TRUSTEES REPORT

In addition to the normal Spring cleanup, and regular mowings, a special effort was made this year to cleanup the Benson Cemetery. The Trustees voted last year to set aside a sum of money each year to do some reclamation work on one of the Town's numerous small cemeteries. This coming year, we plan to invest some time, effort and money in the Aldrich Cemetery, located off Route 32 North, just below the Swanzey line. Volunteers for these projects are always welcome.

There were three burials this year. Residents are reminded of the availability of grave sites in the Earl Howard Cemetery on the Athol Road. You may contact any of the Cemetery Trustees about this.

Respectfully submitted,
C. Richard Webber,
Chairman
Pamela Bielunis,
Jonathan Bloom,

# ROAD AGENT'S REPORT

Contracts for winter maintenance for second part of 1992 and first part of 1993 winter season were awarded to:

Terry Qualters for roads west of Route 32. Total amount of bid $20,000.00.

Contract for all roads east of Route 32 was awarded to Dan Firman. Total amount of bid $15,000.00.

Grading of roads started April 29 as roads dried out early this year. Most roads were graded twice, some more. Crushed gravel from the town's stockpile at Martin's Pit was loaded, spread and graded on the following roads: Monument, Barrus, Whipple, Lang, Turnpike, and Quaker Lane.

This year's work shimming and asphalt seal was done on Fish Hatchery Road from Route 119 to Mill Road. Mill Road Bridge had paint scraped, and was painted. Rust preventative also applied.

Keene Tree was hired to cut dead trees along road sides of Whipple, Lang and Bullock Roads. Backhoe work consisted of cleaning entrance and outlets to culverts, taking out stumps and and large boulders, and also widening corners. New running planks were replaced on Martin Road Bridge.

General Maintenance consisted of cutting brush, cleaning culverts and ditches, replacing roadsigns and cleaning up after storms downed trees and limbs.

Respectfully submitted,
Leonard Davis,
Road Agent
